To: Whom it May Concern

Subject: RoHS II declaration

Vaasa, October 29th, 2025

On January 3rd 2013, Directive 2011/65/EU (RoHS II) on the restriction of the use of certain hazardous substances in electrical and electronic equipment replaced Directive 2002/95/EC (RoHS).

According to our current best knowledge and according to the information provided by suppliers, ABB states that manufactured AC Switches and Fusegear and related accessories comply with the materials and substances restrictions in Directive 2011/65/EU (RoHS II) and Amendment Directive (EU) 2015/863.

All information concerning RoHS exemptions is illustrated in ABB document Annex 1SCC011020D0201
